REQUEST FOR CORRECTED FILING RECEIPTAssistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

In connection with the above-identified application, upon review of the Filing Receipt, a copy of which is enclosed, it was found that there are errors. In particular, the title is incorrect. Instead of "Piezo oscillator", the correct title is --PIEZO-OSCILLATOR-- with a hyphen in between the words. The total number of claims is also incorrect. Applicant filed a Preliminary Amendment (copy enclosed) which amended claim 7 to eliminate illegal multiple dependent claim and added new claim 9. Accordingly, there are a total of 9 claims. Lastly, please change the correspondence address to the address identified below. A Change of Correspondence Address was filed together with the application on February 9, 2001.

It is therefore respectfully requested that the Patent Office correct its records and issue a Corrected Filing Receipt which reflects the above information.

Respectfully submitted,
